When I was asked if I would do anal today, I was both excited and apprehensive. While I'm not prudish, my little butt hole has only had a couple fingers in it, and not for very long. But I'm game. He promised it would be slow and well-lubed. I've always been a bit of an adventuress, so I'll do it. Just for you!

Veronica and Lux just found fun sundresses in their closet. That meant fun was afoot. "Come quick!" Lux said, "I've got something to show you!" Before she knew it Veronica got down on all fours as Lux pulled out a glassy new dildo. "Check it out girlie, I thought we could have some fun." Soon both girls dressed down to the skin and fun ensued.

No Sweaty Titty Money

Manning the counter at a convenience store is hardly a walk in the park. Lousy hours, difficult customers, and the ever-present threat of an armed robbery are just a few of the problems associated with the job. And I should know. I've been working at the local Speedy Quick for five years.

I landed the gig immediately after graduating from high school. Been here ever since. I might even die here if the crime rate keeps going up. What a crummy way to go, huh? Shot for a few bucks and left to bleed out on the floor.

I try not to think about it, try real hard to stay positive and fill my head with cheerful thoughts. Some days this is easy, others not so much. Unfortunately, today is looking like one of the latter . . .

Thanks to Two Ton Tammy.

Understand, I've got nothing against morbidly obese folks. Overweight people deserve just as much respect as anybody else. But Two Ton Tammy—well, she pushes my buttons something fierce.

The sign taped atop the counter was my idea. NO SWEATY TITTIE MONEY, it reads. Two Ton Tammy is the worst offender. I can't

tell you how many times she has reached down into the depths of her immensely flabby cleavage and come up with cash, crumpled and stinky and sweaty cash . . .

The sign hasn't helped one damned bit. I can't decide if she's illiterate or just a grade A bitch.

Now she stands before me, looking and smelling like she hasn't bathed in weeks, and asks for two packs of cigarettes. I ring her up, hoping for the best while expecting the worst. Sure enough, Two Ton Tammy shoves a bloated hand between her disgusting porcine udders and produces a wad of soggy bills.

I eye the money with disgust. I'm supposed to be polite, of course. The customer, my manager tells me, is always right. But this is the last straw. Two Ton Tammy has pushed me too far. Too many times. I've had enough . . .

"Tammy," I say, glaring at her. "Can you read?"

My comment confuses her. She seems bewildered. For a little while, anyway. Then she says, "I read just fine."

"Could've fooled me." I point to the sign. "What does that say? Read it to me . . ."

Her lips move as she reads silently. Then her face turns beet red. Then she loses it, calling me every name in the book. She plucks the money from the counter, tosses it in my face, and grabs her precious cigarettes.

"Keep the change, asshole!"

She waddles out the door. I stand there beside the register, watching as she deposits her mammoth frame behind the wheel of her old pickup. She backs out and speeds away with a screech of burning rubber.

"Another satisfied customer," I mutter to myself.

The remainder of the day progresses without incident, one of the smoother shifts I've worked in recent memory. Still, I can't get Two Ton Tammy out of my mind. Judging from her reaction, she had never read the sign before. The words had hit her like a hammer. But I didn't feel bad. Not really. Respect is a two-way street. She should've known better than to pay with currency excavated from her disgusting cleavage.

I'm scheduled to get off at six until the night guy calls in sick. Oh well. No biggie. I can sure use the money. And nights are typically slow. Plenty of time to play Star Invader and read a magazine between cus

tomers. The store has a decent selection of stroke mags which help me pass the time.

I'm sitting behind the counter peering at choice photos of a hot blonde with a glorious set of tits when the urge to masturbate becomes too great to ignore. I lock the door and display the BE BACK SOON sign. Then, magazine in hand, I make a beeline for the small storeroom.

Having dropped my pants and boxers, I spread the magazine on the manager's messy desk. Then I spit in my palm and proceed to stroke my cock. The blonde's handle is Hot Hannah. An apt moniker, you bet. She's smoking. I shuck my prick faster and faster, getting closer and closer to the brink when a loud banging noise disrupts my fantasy.

"What the hell . . ."

Somebody is banging on the glass door. Hard. Highly peeved, I raise my pants and tuck away my stiff pecker. The banging continues. Harder. Louder.

"Okay, okay, I'm coming . . ."

My annoyance abates when I glimpse the perpetrator. She's almost as hot as Hannah. My smile

turns to a frown when I spot the familiar pickup truck parked behind her. I would recognize that truck anywhere. Two Ton Tammy's. No sign of her, though. The blonde must be a friend or relative. I unlock the door and step aside. and

"Sorry about that," I say. "I was busy in the back."

Her demeanor is icy. No sooner does she enter the store than lambast me for humiliating her Aunt Tammy. "That was a really lowdown thing to do," she tells me. "That sign of yours was totally unnecessary. She's been upset all day . . ."

I find it hard to look her in the face. My gaze keeps dropping to a spectacular set of tits threatening to burst through her tight-fitting T-shirt. Her jogging shorts are equally snug, accentuating her shapely hips and thighs. I can see the outline of her panties through the thin fabric.

"—earth to asshole," her voice pierces my thoughts. "What do you have to say for yourself . . ."

"I don't like handling sweaty tit-tie money," I state matter-of-factly. "You wouldn't either."

She saunters to the counter and peers at my crudely written sign. I'm

fully expecting her to rip the thing to shreds. Imagine my surprise when she starts chuckling . . .

"It is pretty funny," she concedes.

"She never even noticed it until today," I tell her. "Needless to say, she wasn't too happy. I'll call her and apologize if you think it would help."

"You don't have to do that." She turns to face me. Still leaning against the counter, she smiles invitingly. "But I'll tell you what you can do."

"What's that?"

The next words from her mouth throw me for a major loop. After all, it's not often that a guy like me gets propositioned by a girl as fine as Two Ton Tammy's niece.

"Come again?" I say.

"You heard me. I'm staying at Aunt Tammy's all summer. I'm going to be bored out of my mind. Unless,"

"I fuck you on a regular basis," I finish her sentence.

"Hey," she says, "you're pretty smart for a convenience store clerk."

A car slides into the space beside Two Ton Tammy's pickup truck. I couldn't care less. Locking the door, I display the BE BACK SOON sign once again and lead my new friend to the storeroom.

She spots the stroke mag on my manager's desk. "Looks like I interrupted something . . ."

"Guilty as charged," I reply.

She frowns. "You didn't finish, did you? I'd hate for your balls to be empty . . ."

"You needn't worry about that," I say, dropping my pants and proffering my cock.

Two Ton Tammy's niece knows a thing or two about giving head. Crouching before me, she lifts my stiff shaft and licks its underside. I moan appreciatively. She proceeds to stroke me with one hand while licking my balls, licking and lapping and sucking with mounting fervor.

Standing above her kneeling form affords me a fantastic view. Her V-neck dips low, exposing the tops of her bountiful boobs. I would accept her sweaty titty money any day of the week. Gladly. Hell, I would suck on it like candy.

Eager to bang her, I pull out of her mouth and clear a space atop the desk, pushing the stroke mag and my manager's paperwork out of the way. She lifts her T-shirt over her head and drops it on the floor. Her tits are to die for, a stunning set

of D-cup knockers which make me gape stupidly.

"Nice, huh." She raises her hands and squeezes them together. Then she lets go and shakes them like a dancer. No imaginative leap is needed to picture her performing at a strip club. She's a natural. Should she need a job while staying with her Aunt Tammy—well, she could always get one at the local tittie bar. I'd sure pay to watch her dance.

She hops up on the desk and extends her legs. I peel her jogging shorts and panties, toss them over my shoulder, and push her thighs apart. Leaning back on her elbows, she smiles and tells me to stick it in her tight cunt . . .

"Yes, ma'am," I reply, skewering her with my rod.

She grunts. I start slowly, driving my hips at a sensible pace, savoring the heady sensation of her hot, wet cooze clenching my cock. It isn't long before she reclines all the way, resting her head on the desktop and gazing at the ceiling while I rut between her legs.

"Faster." She raises her knees. "Harder . . ."

I grant her wish, upping the

speed and force of my thrusts. My balls slap her ass as I plow her pussy, the sound of pounding flesh filling the small storeroom. The porn mag, still open to Hot Hannah's spread, doesn't entice me in the least. Not with a fine specimen splayed before me and taking every inch of my throbbing tool.

She gyrates her hips, meeting my jabs, moving with me as I grab her ankles and push her legs all the way back. She bites her lip and urges me onward with a colorful display of filthy banter . . .

"Fuck my dirty little slut hole," she mouths before crying out crazily and shuddering beneath me. I release inside her, experiencing the first simultaneous orgasm of my life.

We get dressed and return to the store to find a small crowd of customers gathered outside. I flip the sign, unlock the door, and apologize for the inconvenience. The mob doesn't want to hear it. They're mad as hell.

"So sorry about that, folks," I tell them, "but something came up . . ."

Never at a loss for words, Two Ton Tammy's nubile niece smiles and says, "You can say that again!"

I was always curious about black dicks. Were they really bigger than others guys? I just had to find out for myself. When Jay helped to move me, I made the move on him. It took a few times to convince him to let me see it and suck it. And when I did, it seemed just like any other man's. Soft at first, and then it got really hard as I sucked.

ALEXIS FAWX

Okay, so I went out with Danny and I just couldn't control myself, especially after a few drinks and some sweet talk. It was fun, I think. But the real fun began when we got back to my house. I told him I wanted to take a quick bath to freshen up, but he couldn't wait, and frankly, neither could I. We didn't make it to the bedroom that day.

I look at myself as a one woman crusader for a healthy sex life. Here's a good start to it.

This Is For You Women

I'm a twenty year old woman writing to you because there are so few outlets for us to express our sexuality. There are a lot of so-called 'men's magazines' but nothing sexy for us women. Yeah, I know there's all sorts of porn all over the internet, as well as some labeled 'for women' but it's still mostly produced for a male thrill. No one wants to address our sexual feelings, visually. There are women that have been with one guy since high school. He's all they've ever known. Then, when he's done with her, she goes into a shell or retreats from sexual society for fear of not being wanted or rejected.

I look at myself as a one woman crusader for a healthy sex life. I try not to preach, but I've helped a few of my lady friends get down. Here's one way to do it. Many of my lady friends, that have lost their man through divorce or cheating, have a tough time getting back into dating, let alone having sex. Many are frustrated, but are also unwilling to try new things and re-sex themselves for long periods of time. I'll talk to them and say we can do it together. Nothing lesbian or extreme, just a supportive male partner to re-introduce them to normal, healthy sex. Reluctantly they'll agree and that's when I set things in motion.

My plan? I have a man ready for them. Not to fuck but to explore him. Make the woman unafraid of a new male and his body.

Example? Let's call her Chelsea, and she's been divorced without a man for more than three years. It all starts at my house with an invitation to her and (let's call him) Marcus. I have to tell you that

things will get a little more explicit here because that's what happens.

So Chelsea comes to my house and Marcus is already there. They both know what's going to happen so we start with a glass of wine and get to know each other just a little. It will go something like this...

Marcus is a man in his thirties with a good but not great physique. He is pleasant and warm. Chelsea is polite and timid so I force them into conversations that will bring out her sexual fears and work on them. I tell Marcus to stand up in front of her, but not too close. As he does, I get behind him and begin to undo his shirt. I tell Chelsea to stand up and finish opening it and touch his chest and nipples. After a little hesitation and some more prompting, she does and helps me pull it off him. I tell her softly to undo his belt, his zipper and pull his pants down. She slowly does it. I ask if she wants to disrobe at all, but most women will be even more uncomfortable with this so she stays in her clothes.

I tell her to pull down his boxers or to slip her hand inside if she is uncomfortable looking at it right now. Chelsea chooses to slip her hand down under the waistband. She searches and finds his semi-erect cock. I tell her to stroke it and reach lower for his balls. Marcus, like a good guy, stands there silent. After a moment of this, I pull his boxers down and he steps out of both his pants and boxers. Chelsea's a little surprised, but cannot help to look down and see her hand around this stranger's cock. I ask if she's okay so far and she nods that she is.

BLAIR-NTS-10

She pins his cock to his stomach and licks the long shaft slowly from the base to the tip of the head.

I start to rub my hands up and down Marcus' chest, still from behind, to try and make Chelsea a little more comfortable with the sexual situation. If I stay behind him, she'll not think there could be any lesbian overtones and her focus stays on the man directly in front of her.

"Isn't it gorgeous?" I say, reinforcing the beauty of his man-sex. Chelsea says 'Yes.' pumping it with her fist a few times. He was fully erect now and pointing straight up. Without any more encouragement, I can see confidence building in Chelsea as she strokes it harder and works her hands all around his balls. I let this continue for a few minutes and then ask, "Would you like to taste it?" She looks back down at his hard cock. With that she dropped to her knees in front of Marcus and pins his cock to his stomach and licks the long shaft slowly from the base to the tip of the head.

The room fills suddenly with wet sucking noises as Chelsea slowly fits her mouth over his cockhead. Chelsea then sucks it into her mouth as far as she can feeding herself an inch at a time until her throat was so full she gagged. Chelsea removes his dick from her mouth and catches her breath. She looks intently at the cock before her. She reaches out and puts a hand on each of his ass cheeks and forces his spongy head into her mouth. I back away and leave Chelsea to her own desires.

I came out from behind Marcus and sat on the sofa next to them. I watch as Chelsea pressed his cock against his stomach and began tonguing his balls.

That seemed like a bit of a bold move for her. With her eyes shut, I could tell she was getting lost in her own erotic world. She was no longer denying that she was a sexual person. I helped her out of her top and her bra and she rubbed her breasts, awakening them from their long slumber by pinching her nipples to erection.

She then boldly stands up and gets behind Marcus, pressing her chest into his back and reaching around to take his cock in her right hand. She pumps him hard as she rubs her chest against him. Marcus stands there like a soldier and takes it, letting her get out her years of sexual frustration. Her strokes seem to be having an effect as Marcus' stocism begins to crumble at her touch. I hope she realizes that it's her and him. It's man and woman. It's part of what makes the world tick, and hopefully her, too.

Marcus senses he's about to cum and motions to me. I tell Chelsea and ask if she wants to finish him. She nods. I ask if she wants to watch it and swirl my finger into the air motioning her to come around front and get on her knees so Marcus can finish on her chest. Without letting go, she comes around front and keeps stroking him as she lowers herself expectantly. She strokes him to climax as he jets his warm cum onto her chest. She touches it and rubs a glob of it between her fingers to sense it's wetness and texture.

Now we're finished and Chelsea thanks me, and Marcus. A couple months later, she calls and tells me she's dating and fucking again. I know... that's what I do.

When we got a hold of Misty to come and do a shoot for us, we were sure that we would see a hot body and some good sex. When she first lifted her shirt, she already blew away our expectations. When she started to blow her partner, we thought she would never stop. And when they fucked, they put on such a show that the crew whistled and applauded wildly.
